EXPEDITED PROCEDURE

Sir:

While the Examiner mailed back the Information Disclosure Statement (IDS) filed on March 20, 2000 with the Office Action of May 14, 2002, he did not initial the PTO-1449 form to indicate that the IDS was considered on the merits. We assume the March 20, 2000 IDS was considered on the merits since the Examiner did not cross out the references listed on the PTO-1449 form.

It is respectfully requested that the Examiner initial the enclosed IDS Form PTO-1449 on an expedited basis in view of the fact that issue fees are due by September 24, 2004. No additional fees should be due because the enclosed IDS was submitted to the USPTO on March 20, 2000 with the new filing of the patent application.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first-class mail in an envelope addressed to:
